NB : please remember yours reals coordinates are the only ones that will provide accurate results, this report is a simple estimation and will not be 100% accurate. To order your reals coordinates, please you can contact [teepean47](#) (partner of Daviski), the cost is \$15 if you use Wise directly with the link and transfer unless you are using USD or CAD with Swift/wire payments in which case you have to add the transfer costs to the amount. For credit card payments you can use Stripe. The price of 15€ covers the costs from Stripe : <https://buy.stripe.com/bIYaFJ2qocAK4Rq9AB>

Your ancient break down is :

Yamnaya_RUS_Samara :	43.94 %
TUR_Barcin_N :	43.20 %
WHG :	12.86 %

All the reports below are based on Euclidian distance, Euclidean distance is a distance metric that measure the distance between two points on a plane, please use the legend below to evaluate is your genetic distance is good.
